Promotions, promo codes and loyalty programme

Référence POL-10 · version 1.0 · entrée en vigueur 2026-09-01 · NovaShop

Document fictif — NovaShop est une société imaginaire créée pour le projet pédagogique SupportAI.

Version: 1.0 · Effective date: 1 September 2026

1. Offer types

NovaShop offers four families of offers:

1. Permanent discounts: crossed-out prices, bundles and multipacks.
2. Promotional codes: percentage or fixed-amount discount.
3. Event sales: seasonal sales, Black Friday, back-to-school, holidays.
4. NovaPoints loyalty programme.

2. General promo code rules

- One code per order.
- Codes cannot be combined with each other.
- A code does not apply to gift cards or to products marked "unbeatable price".
- Each code has a validity date, a minimum purchase amount and sometimes an eligible category.
- Codes are case-sensitive and contain no spaces.

3. Example codes

Code | Benefit | Conditions | Validity

BIENVENUE10 | -10 % | First order, minimum 300 MAD | Permanent

LIVRAISON0 | Free delivery | Minimum 400 MAD | 31/12/2026

AUDIO50 | -50 MAD | Audio category, minimum 600 MAD | 30/11/2026

RENTREE200 | -200 MAD | Laptops, minimum 3 000 MAD | 30/09/2026

4. Code refused

A code may be refused for the following reasons:

- expired or non-existent code;
- basket below the required minimum;
- non-eligible product;
- code already used on a previous order;
- combination with another ongoing promotion.

The message displayed on refusal states the reason. Support cannot force the application of a non-eligible code.

5. Basket changes after applying a code

If the customer modifies the basket after applying a code, the discount is recalculated automatically. If the basket falls below the required minimum, the code is removed.

6. NovaPoints loyalty programme

- 1 point earned per 10 MAD spent.
- 100 points = 20 MAD discount.
- Points are credited 15 days after delivery, to account for the return window.
- Points expire 24 months after they are earned.
- Points cannot be exchanged for cash.

Tier | Annual threshold | Benefit

Classic | 0 MAD | 1 point / 10 MAD

Silver | 5 000 MAD | 1.25 points / 10 MAD

Gold | 15 000 MAD | 1.5 points / 10 MAD + free delivery

Points are cancelled in the event of a product return or a full refund.

7. Pricing error

In the event of an obvious pricing error (for example an item at 10 MAD instead of 1 000 MAD), NovaShop may cancel the order and fully refund the customer, in accordance with POL-08, section 6.

8. Gift cards

Gift cards are valid for 12 months, can be used in several transactions, are not refundable in cash and cannot be topped up. They can be combined with a promo code.

9. Promotional dispute

Any dispute must be sent within 30 days of the order, with a screenshot of the offer. Support checks the campaign concerned and replies within 5 business days.
